Toward Bold Faithfulness

CBF Global is launching a strategic Initiative entitled, “Toward Bold Faithfulness.” The centerpiece is an online survey open from **Jan. 7 to Feb. 2**. This work will have a significant impact on the future direction of CBF Global. For each completed survey a donor is giving money to the participant’s choice of Global Missions or a Scholarship Fund. If 20% of our congregation completes the survey, our church staff will receive a copy of the report results. These results could be very helpful in determining what bold faithfulness is for Northside at this point. For more information contact Courtney and please visit: <https://cbf.net/tbf>
