May Graduates

If you have a member of your family graduating at any level in May, please let the church office know the name and degree. We want to recognize all of our graduates during a morning worship service.

Is Northside Baptist Church Family Friendly?

Certainly we are, but one expression of the value we place on children and families is their care and education in the faith. We need volunteers to teach Sunday School for Toddlers, 3 and 4-year olds, and we need volunteers for Extended Session. Please help us by joining the wonderful and faithful volunteers who support the ministry to our precious children.
